about us

A Tranquil Retreat at Woodhouse.

Just 25 minutes from Adelaide's CBD, Woodhouse Adventure Park offers a peaceful sanctuary for rejuvenation and connection. SEEONEE, our multi-purpose wellness and conference centre, is nestled within 54 hectares of native bushland in Piccadilly.

Thoughtfully designed to blend with the natural surroundings, SEEONEE provides a calm, light-filled environment ideal for reflection, growth, and team connection. Expansive views, fresh air, and the rhythms of nature support mental and emotional wellbeing, making it the perfect setting for corporate workshops and wellness retreats.

Whether you're a workplace, school, or community group, our tailored programs foster genuine care, resilience, and wellbeing - helping teams thrive in and out of the office.

woodhouse wellness programs

awaken: build your own experience

A rejuvenating workshop focused on mind, body, and spirit. Choose from a menu of nature-based and holistic wellness activities designed to calm the nervous system, boost resilience, and strengthen connections with yourself and your team.

healthy habits

Discover how simple daily habits can boost wellbeing, focus, and workplace performance. This session equips teams with practical, sustainable tools and concludes with an optional whole-food meal to reinforce healthy habits in action.

stress less - breathe more

Learn to identify workplace stressors and build practical strategies for positive change. This session explores mindfulness, meditation, and growth mindset tools to help you feel calmer, more focused, and better equipped to manage stress.

belonging matters

Foster a workplace where everyone feels valued and included. This workshop helps teams explore belonging, psychological safety, and connection - building stronger, more inclusive, and cohesive workplace cultures.

resilience - thriving through change

Build the skills to adapt, recover, and thrive through workplace challenges and change. This practical session helps teams stay connected to purpose and values while developing tools to navigate stress with strength and intention.

leadership for wellbeing

Empowered, intentional leadership drives healthy workplace culture. This workshop equips leaders with tools to foster trust, psychological safety, and inclusion - creating environments where people feel valued, engaged, and inspired.

no 'i' in team: team building & development

Each team is unique, so we offer customisable experiences tailored to your goals - whether enhancing leadership, boosting morale, or simply having fun. From collaborative problem-solving tasks to friendly competitions, our activities build stronger connections, improve communication, and foster lasting camaraderie.
