# ABOUT US

Located in picturesque Piccadilly in the Adelaide Hills, Woodhouse Adventure Park specialises in creating memorable experiences and the brand new architecturally designed SEEONEE is certainly no exception. While only a 25-minute drive from Adelaide CBD, you'll feel a million miles from the city and office distractions.

Two separate spacious, light-filled rooms with communal kitchen and gathering area open out onto 54 hectares of undulating, gumtree-studded countryside, guaranteed to lift spirits, open minds and better prepare you and your guests for the day ahead.

You can hire SEEONEE as a venue with DIY activities and catering, or work with us to add in catering and a variety of facilitated team-building events.

We don't believe a 'cookie cutter' approach has any place here at Woodhouse and love tailoring an experience to your requirements to achieve your desired outcomes.

Drop us an email with your preferred dates and times, approximate number of guests and rough plan of how you want your team's adventure to play out... and we'll get started!

For now here's some of the practical information for your next important event. All prices include GST.

# KEEPING THE TROOPS FUELLED

Nothing maintains morale at conferences, meetings or workshops more than good food!

Keep your conference or event troops fuelled by using our own in-house catering or you can do it yourself and BYO.

Alternatively you can always share the love by heading out to support some of our favourite local eateries (or cellar doors).

## THE COOK AND THE CHEF

Our in-house resident catering team has our guests coming back time and again, using only the highest quality and freshest ingredients... and sourcing local Adelaide Hills produce wherever possible.

Together, the duo leading this team take great pride in combining the artistry of a commercially trained chef with the natural flair of a great home-style cook.

Following are example menus for you to consider - but if there is something specific you're looking for, get in touch and we'll do our best to accommodate your request.
