EDUCATORS AGREEMENT: GOLD PACKAGE

Please ensure this document is read and completed by all educators who are attending the camp, and return a copy to us prior to your camp.

Woodhouse Adventure Park provides an agreed upon itinerary and partly facilitated activities from 9am-5pm during your camp. We provide any necessary equipment for teacher-led day time activities and evening activities. Teachers are to run all activities out of hours, and some of the day activities. Please note that the itinerary and activities are subject to change in adverse weather conditions.

You may wish to bring a selection of board games along for evenings, 'chill out' time, or extreme weather conditions.

We ask that the teachers understand and agree to the important role they play in making this camp a memorable one. They will:

- Assist Woodhouse staff in keeping to time schedules
- Be present and active at all times during all activities
- Be responsible for behaviour management of students
- Ensure students tidy up after themselves and wash their dishes following meals
- Facilitate some of the day, and all of the evening activities
- Store the Woodhouse office number in their phone and keep phone with them at all times during camp for any queries or emergencies: 8339 3333
- Provide their contact number below in case of emergency

I acknowledge and agree to the camp requirements as listed above:

Date	Signature	Full name	Mobile Number
